PROFESSIONAL SUMMARY

BSIT undergraduate with 4 months of hands-on experience as a Content Creation Virtual Assistant, plus a strong data entry and Excel/Sheets background. Skilled in short-form video editing, email and task management, and remote collaboration tools. Fast, accurate (90–100 WPM, 92% accuracy), and reliable with a fully equipped remote work setup. Seeking entry-level remote roles such as Virtual Assistant, Content Creator, Data Encoder, or Administrative Support.

WORK EXPERIENCE

Content Creation Virtual Assistant (Outsourced/Freelance)

June 2026 – September 2026

Remote

- Edited short-form video reels for social media using CapCut, aligning content with client branding and posting schedules.
- Managed client emails, including sorting, responding, and organizing correspondence.
- Tracked and organized tasks and deadlines using Trello and Notion to keep projects on schedule.
- Handled outgoing email communications on behalf of the client.

SKILLS

- Content Creation & Video Editing: CapCut, Edits App (short-form reels), Canva (graphics/social content)
- Virtual Assistance: Email management, task & project tracking (Trello, Notion), calendar/admin support
- Data Entry: 90–100 WPM, 92% accuracy, alphanumeric & ten-key entry
- Spreadsheets: Excel & Google Sheets (formulas, pivot tables, data validation, sorting/filtering)
- Remote Collaboration Tools: Zoom, Slack, Google Drive, Microsoft 365, Trello, Clockify,, Notion, Toggl
- AI Tools: Proficient in using AI tools (e.g., ChatGPT, Claude, Gemini Canva AI) for content ideation, captions, and workflow efficiency
- IT Fundamentals: Database concepts, systems experience (POS, Document Management, Inventory Management, E-commerce)
- Other: Basic IT troubleshooting, data privacy awareness, strong written communication, time management, self-motivated, high attention to detail

EDUCATION

Bachelor of Science in Information Technology

Expected July 2027

Pamantasan ng Lungsod ng Pasig

- Consistent Dean's Lister; built academic projects including a POS System, Document Management System, Inventory Management System, and E-commerce Website.
